Greetings!

I am sending you this mail to re-connect and introduce you to the new services offered by my company "PRH Services" It could be that we spoke just yesterday or that we have not been in contact for a few months but as time is valuable and as I would really like to enhance our relationship, I would ask you to visit our website at www.prhservices.co.za and have a look at our new scope of services.

Essential Business Services

Let us take care of helping you shrink your new year's "To Do" list and place you closer to your business goals

For a growing company like yours, there is a real possibility that you may require one or more of our services on a short term or long term basis. There is also a real possibility that you have a friend or family member that could benefit for one of our services and I would be most grateful if you could pass this mail on to them by clicking on the "forward email" button below.

Nice to catch up

If you need to make use of any of our services, please do not hesitate in getting in touch or forwarding this email to a friend. If you are not interested at this time then thank you for taking the time to read this mail.

Software Development Alliance

PRH Services teams up with Rooki Software

Another new development at PRH services has been forming a closer relationship with Rooki Software in order to satisfy those clients that need bespoke software development or code enhancements to tweak on-site as well as web and cloud services. You will find there services explained in more detail on our

website.

I hope this mail has been of value to you. I respect the fact that your inbox is probably overcrowded with mail and if you wish to no longer receive this newsletter, please unsubscribe by clicking on the link below. If however you believe that our services may be of value to you, please reply to me immediately or pass the mail on to a friend

Sincerely,
